PROGRAMMING SPONSORSHIP OPPORTUNITIES

2026

Why Support the705?

The mission of the705 is to develop our community and members personally, professionally, and civically, with the aim of creating a better Acadiana. Through our dedication to this mission, we have witnessed the transformative impact we can have on not only our members who span throughout Acadiana, but the community as a whole.

As a member based non-profit organization led only by a working Board of Directors, to continue our contributions and make a lasting change, we rely on the generous support of sponsors and funding. The importance of sponsorships cannot be overstated, as they enable us to maintain our programs, initiatives, and resources that directly benefit our members and the wider community.

Sponsorships play a vital role in nurturing the personal growth of our members. By offering financial support for professional development opportunities, mentorship programs, and leadership training, sponsors help our members unlock their full potential. This investment not only strengthens individuals but also cultivates a network of talented and driven professionals who are poised to strengthen the economic landscape and shape Acadiana's future.

By investing in our organization, sponsors not only enhance their brand visibility, they help us continue our impactful work and demonstrate their commitment to the betterment of Acadiana. Together, through sponsorship and partnership, we can create a thriving Acadiana that benefits everyone involved.
